PCP is a membership organization: all cast and designers must be members to work with PCP.

We will include all the above information in our membership directory and updates. If you don't want your work number published in the directory, please let us know.

Please check ALL theatrical activities you're interested in, have experience in, or are willing to help with. If you're interested in something, but don't have experience, we'll teach you.

For more information, check out our website at:
www.portcityplayhouse.com
